University of Technology Sydney

Program Overview

University of Technology Sydney is one of Australia’s leading universities of technology. With a culturally diverse atmosphere and strong international exchange study and research programs, students will be involved in a learning environment where they can immerse themselves into another culture and fully prepare themselves for their futures.

Academics

UTS offers a variety of courses in programs such as business, communication, design, architecture & building, education, engineering, international studies, law, and science.

Student Life

UTS offers many opportunities for students to meet and network with one another. There are also social and cultural events on and off campus throughout the year, as well as an exchange and study abroad club and community connections organization to help students get to know other exchange and local students and Australian culture and lifestyle.

Surrounding Area

Sydney combines the downtown feel of a busy metropolis with a relaxed lifestyle. With its famous harbor, sandy beaches, national parks, and suburbs with their own unique identity, the city is in easy reach of places to explore. Rated the fourth most liveable city for students in the world (QS Best Student Cities 2015), Sydney attracts over 35,000 international students to live and study in this culturally diverse city. UTS’s central location means students can easily access Sydney attractions, entertainment and essential services from our campus doorstep.

Housing

UTS Housing offers five residences, all of which are comfortable, affordable and convenient living options within walking distance to campus. In each residence, students will find common areas and study labs; games rooms and weekly events—everything they need to play, study, and learn in comfort.
